

Angela E. Seda, M.D.

Angela E. Seda, M.D., is a breast surgeon specializing in breast surgical oncology and surgical diseases of the breast. Dr. Seda treats men and women with disorders of the breast, as well as pediatric patients with breast pathology.

Background & Education

Dr. Seda graduated summa cum laude with a Bachelor of Science in cellular and molecular biology from Texas Tech University in Lubbock, Texas, where she was a member of Mortar Board which recognizes the top 50 seniors on campus. She earned her medical degree at the University of Texas Southwestern in Dallas and completed her residency in general surgery at Unity Point Health in Des Moines, Iowa (previously known as Iowa Health System). She then completed a fellowship in breast surgical oncology at Baylor University Medical Center in Dallas. Dr. Seda has authored and coauthored articles in peer reviewed journals and continues to publish articles relating to breast cancer.
